Common Values

Discussing German and Polish Perceptions of European Integration
The publication is part of the project “Common Values! Arguments, Counterarguments and Courses of Action in the German and Polish European Policy”. The publication is based on a conference organised by AEI and the European Academy Berlin which took place in Berlin from 20 to 22 September 2016. The project was implemented in co-operation with the Adam Mickiewicz University in Poznań and with financial support by the Foundation for Polish-German Cooperation, the Polish-German Science Foundation, the Federal Foreign Office and the European Union.
