This 3rd edition provides information on core EU legislation as well as academic projects in order to unlock the content, approaches and objectives of European contract law.

European contract law is not only a core aspect of European private law but also plays a highly important role in the development of contract law at national level. However, European contract law's contribution and significance are often overlooked and its content, approaches and objectives not fully understood.

This revised and updated 3rd edition unlocks European contract law by providing fundamental information about core EU legislation, court decisions, and academic projects in order to show how a system arises from the interaction between the different sources. Moreover, this 3rd edition takes into account the recent legislative responses to digitalization and the development of a contract law for the 21st century.

Hotline for your order +49 7221 2104-37 | Online www.nomos-shop.de
E-Mail orders@nomos.de | Fax +49 7221 2104-43 | or in your local bookstore

You can withdraw from your book order without giving reasons within fourteen days. Simply send your written withdrawal within the given period to: Verlagsauslieferung, In den Lissen 12, 76457 Sinzheim, Germany or to your bookstore. A withdrawal binds you to return the items. All costs and risks of return are payable by the addressee. You can find our privacy policy online at nomos@shop.de/go/datenschutzerklaerung.
